Subject: Revised position of Emulex on forwarding FC-LS-2

Emulex appreciates the attention and expertise that TG T11.3 has devoted to resolving issues raised with draft FC-LS-2, and based on the resolutions incorporated in document T11/10-121v2, withdraws its comments and approves forwarding draft revision 2.21 of FC-LS-2 (T11/10-122v2) to INCITS for further processing.
