

## **PATENTS**

TG T11.3 patent policy is identical to that of TC T11.

A call is hereby issued for the existence of patents required to implement any and all T11.3 standards and technical reports be disclosed.

1. It is necessary for the holders to agree to license those patents in conformance with the ANSI patent policy if the project on which they read is to proceed;
2. Neither T11.3 nor T11 is involved in this process.

The contact at ANSI is the General Counsel, Ms. Amy Marasco, (212)642-4954 or [amarasco@ansi.org](mailto:amarasco@ansi.org).
