

## **Assignment of a Private Enterprise Number to INCITS Technical Committee T11**

At its April 2<sup>nd</sup> plenary meeting, T11 gave to its Vice Chair the action to obtain a Private Enterprise Number (PEN) from IANA for use in standards developed by T11 (see action item 09-016). This action has been completed.

IANA assigned the Private Enterprise Number **33317** to identify the INCITS Technical Committee T11. The IANA PEN registry is available at the address:
